

HIV/AIDS & BLOODBORNE PATHOGENS

Advancing the Profession since 2016

“I wasn't sure how this training would pertain to my job as a coach in all honesty. After taking the class I see how knowing this info could be extremely helpful in my relationships with clients.”
JAMIE, NH

COURSE DESCRIPTION

This presentation will educate nonclinical workers on the risk of HIV/AIDS/HepB & Hep C with substance users. Harm reduction and protective factors will be discussed. Participants will learn about new methods of treatments, area resources, and how to engage in a conversation with clients around knowing their status.
