## WINTER4KIDS Athletics

Located on the Campus at the National Winter Activity Center, Winter4Kids offers competition and motivation programs for youth ages 6–20. Our participants are coached to reach their personal ski, snowboard or cross-country goals. Mastery of competitive and individual skills prepares these athletes for life. Paths are created to upper level, interscholastic and recreational competition. These youth evolve to enjoy winter activities throughout their lives, becoming fans of the sport or future employees.
